

Volume Graphics UGMNA 2020 Exhibitor and Sponsor Packages

Don't just "Be in the Know" — Be seen!

The Volume Graphics User Group Meeting North America (UGMNA) is a must-attend event for the North American CT and NDT community. With inspiring success stories, best practices, useful how-to presentations, and valuable networking, this event is the perfect opportunity to present your company to an inner circle of NDT experts!

UGMNA Target Audience

Current and potential users of industrial CT and Volume Graphics software in research, quality assurance, product development, and production.

2018 – 75+ attendees
2019 – 100+ attendees

**Attendance increased over 40 %
in the first year alone!**

"I really received some excellent technical information as we are finally putting together a new CT system—the conference was very informative and valuable."
Gary Korkala, Kodex Inc. & UGMNA 2019 Attendee
